

Wagons, Wheels, and Wings

A standards-based field trip for second grade
Kansas Museum of History • Topeka

The Kansas Museum of History in Topeka is providing an opportunity for teachers to combine Kansas standards with a unique educational experience!

Wagons, Wheels, and Wings takes students through the museum gallery to explore different forms of transportation used in our state from 1854 to the present. Students will use this information to create transportation scenes on a magnetic board.

The tour fulfills grade-specific standards and provides pre- and post-visit material to help teachers meet those standards.
