**Getting to Know Government**

**Worksheet 2: Government All Around Us**

You read in *Kansas Kaleidoscope* about the many ways government helps our society run smoothly. Match the service listed below to the level of government it belongs with. Write the corresponding number in one of the diamonds within the circle for that level of government.

1. This level of government builds new bridges.
2. This level of government makes sure that the water is safe for drinking.
3. The sheriff is the chief law enforcement officer in this level of government.
4. The legislature creates laws at this level of government.
5. This level of government builds sidewalks.
6. This level of government includes the Commander In Chief (the President) of the country.

**Bonus question:** Now that you have reviewed the types of things the different levels of government do for citizens, think about the ways local governments work in YOUR city and county. How do you benefit from these services? Write your answers on the back of this page.
