### Worksheet 2: Kansas Reservoirs

Read the article “What do you do with too much water?” in this issue of *Kaleidoscope*. Then use a state map to help you draw in and label these reservoirs in Kansas. Use county boundaries to help you find the proper location on the map.

- Clinton Lake, Douglas County
- El Dorado Lake, Butler County
- John Redmond Reservoir, Coffey County
- Kirwin Reservoir, Phillips County
- Milford Lake, Geary County
- Tuttle Creek Lake, Riley County
- Waconda Lake, Mitchell County
