

Who are the Kansa?

The Kansa people once lived in this place we call Kansas. The state of Kansas takes its name from these people. How much do you know about the Kansa? Read pages 6-8 of the **Kansas State Capitol Guide for Young People**.

Long ago before Kansas was a state, the Kansa people lived along the Kansas River. They built their houses from materials in nature. Read the following list and circle the materials that might have been used in traditional Kansa houses built near the Kansas River.
