Greetings Teachers!

Thank you for choosing to attend the History & Environmental Fair at the Kansas History Center and Museum, 9:00 a.m. 3:00 p.m. Thursday, April 14. This exciting adventure will begin on the grounds and continue into the Museum lobby and gallery. A map is provided as a separate link for your convenience. Print a copy of this map for yourself and each of your students. Some activities will be moved or cancelled if it rains.

The booklet, which is included as a link, provides students with a fun way to interact with exhibitors at the fair. **You must copy your own booklets for each student.** The museum will not provide booklets this year. Answers can be obtained at each respective booth located in the museum lobby, gallery, and outside.

Please bring a pencil for each student.

Upon arrival, please stop at the registration booth and check in. Before you leave, return the event evaluation to the registration tent to receive a free packet of educational materials.

Please visit our Museum Store and purchase Kansas items. A separate link provides a list of some of the souvenirs available for purchase and the prices. Buffalo Express, a food vendor, will be on site and picnic tables are available on a first-come basis. A menu is included on a separate link.

We hope you enjoy the many exhibits and activities of the History & Environmental Fair! If you have questions about the event, please give us a call at 785-272-8681, ext. 414. We look forward to seeing you on Thursday, April 14, rain or shine!!

Sincerely,

Debbie Amend
Event Coordinator
