A trip to Grinter Place isn’t just a look inside the oldest home in Wyandotte County, it’s a step back to the days of frontier life. This guided tour provides an opportunity for students to learn the history of the area while participating in a unique educational experience.

This two-hour tour includes a visit to the Grinter’s house plus a choice of three activities designed to stimulate students’ multiple intelligences: dancing the Virginia Reel, washing clothes with a washboard and tub, baking biscuits on a wood-burning stove, or creating a quilt block.

This tour can be adapted for second graders who are comparing life “then and now,” third graders studying community life, and fourth graders learning about Kansas and regions of the United States.

Note: Teachers need to contact the site administrator at least two weeks in advance to schedule the tour and choose three activities for students.

- 120-minute interactive experience
- $6 per student
- kshs.org/15736
