Red Rocks in Emporia is providing an opportunity for you to offer a unique educational experience!

This “reverse” tour puts your students in the role of tour guide. Prior to the trip, each class will be provided with information covering five different aspects of Mr. White’s life. When students arrive, each group will be assigned a room of the house in which they will play the role of “tour guide” for not only the rest of the class but also “Mr. White” (portrayed by the site administrator).

This tour offers pre-and post-visit material to help teachers provide students with supplemental learning.

Note: Schedule tours at least two weeks in advance.
- 75-minute interactive experience
- $6 per student
