

Associate Level Gift Memberships For \$500 and \$1,000 Members Only

\$500 patron level members may designate two Associate level gift memberships to recipients of your choice.

\$1,000 builder level members may designate an additional two, totaling four, Associate level gift memberships.

If you do not choose to give some or all of your allotted memberships as gifts yourself, you may donate your gift memberships back to the Foundation to be assigned to a person on a fixed income, a struggling student, or other person in need but in want of the journal. Please mark the box below if you choose this option.
