 “Zebulon Pike and American Popular Culture, or, Has Pike Peaked?”: article by Michael L. Olsen 48–59

ERRATA, VOLUME 29

Inside front cover caption, spring issue, last line, and footnote 14, p. 55: the Pike Monument was “largely destroyed by a tornado” in **May 2004**, not 2005 (we can now report that it was restored during the summer of 2006); p. 158, line five, should read Major General William M. Wright; p. 203, photograph caption: the Viquesney statue is correctly identified as being in Axtell, but Axtell is, of course, in **Marshall County**.
