THE COVER

This post card scene depicts a soldiers' reunion in the city park
at Dodge City. Post card art can be tricky. While this particular
picture is reproduced from a card announcing the 1910 en-
campment, the Kansas State Historical Society also has an almost
identical card heralding the 1914 gathering, with the ear painted
out! If one were to rely on the dates, it would seem that none
of the persons shown on both cards had moved a muscle for four
years!
