

Linwood Place Historic District – Wichita, Sedgwick County

General – There are ninety-four buildings in the nominated property. Ninety of these are one-story brick fourplexes with rectangular massing and footprints. The units are accessible simple concrete stoops, raised one to two steps from ground level. Building fronts are distinguished from their rear elevations only by the awnings or projections that cover these stoops.

Below is a list of addresses for each of the buildings included in the district:
