Farewell, dear friends, farewell.

1. We are on our rapid march to Kansas, the land that gives birth to freedom. May God Almighty bless you all.
   Farewell, dear friends, farewell.

2. Many dear mothers who are sleeping in the tomb of clay have spent all their days in slavery in old Tennessee.
   Farewell, dear friends, farewell.

3. The time has come, we all must part, and take the parting hand.
   Farewell, dear friends, farewell.

4. It seems to me like the year of jubilee has come; surely this is the time that is spoken of in history.
   Farewell, dear friends, farewell.
