KMH Tours Web Page

In-person field trips are not possible during the museum’s renovation closure. However, we have produced online materials to fill the void. Listed below are a variety of formats we produced to fit your classroom needs. Arranged by grade level, materials are free and available on your time schedule. Museum staff also offer special virtual classroom visits to enhance some of these materials. Please contact us to see how we can connect with your class to enrich their learning experience at KSHS.Education@ks.gov.

**Video & Video Tours:** Video tours follow the on-site tour format and offer video from our exhibits gallery, including up close views of primary sources related to the topic. Some videos highlight hands-on activities and past exhibits.

**Read-alongs & Sing-alongs:** For younger students, we offer read-alongs that include the words and voice overs to tell each story. Sing-alongs are also a fun way to learn about Kansas.

**Nearpod Lessons:** Using the free platform Nearpod.com, we combine video tours, primary sources, and interactive lessons on Kansas history topics. These can be teacher-led or self-paced for students. No membership is required, however, if teachers have a Nearpod account and want to add our lessons to their own library, please contact khs.education@ks.gov to request editable copies.
